

SAF/TYPE® Power Supply Reels and Extension Cords

Power Where You Need It!

Power Supply Reels

- Cord quickly retracts for neat, orderly storage.
- Mounting hardware provided for either ceiling or wall mount.
- 2630-3000 power supply reel is standard with 10 amp circuit breaker!
- Cord may be pulled out to any length and latched in place. Cord automatically retracts after an outward pull.

Extension Cords & Power Supply

- A variety of extension cords ranging from 16 gauge models to heavy duty 100' 12 gauge power supply cords.
- 5000-3006 has a 6' cord and four GFCI protected outlets.
- 5000-3007 has a 2' cord and a GFCI protected plug at one end and a circuit breaker protected triple outlet at the other end.
- For more information on our power supply reels and extension cords, please see brochure No. 9039-0004.
