

SANITINE[®]

By General Mfg., Inc.

{ bumpers }

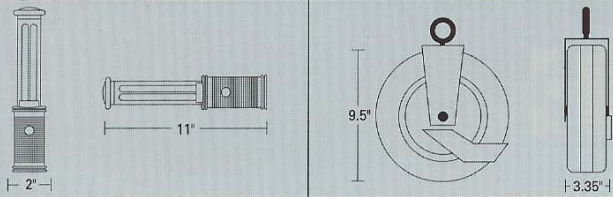

{ comfortable ribbed grip }

{ patented rough service fluorescent lamp }

{ LED spotlight }

{ The Stubby II[®] With LED Spotlight }

{ The Stubby II® Combo LED Lite }

{ 1940-4000 }

{ features }

- High impact polycarbonate outer tube and end lens
- Patented rough service 13-watt fluorescent lamp is rated at 10,000 hours
- Soft durometer end cap, ring bumper, and lamp cushion provide impact protection
- All units come with oil-resistant, weather resistant cord
- Cord model comes with two switches in handle, one to control the fluorescent lamp, and a momentary switch to control the LEDs
- The reel model has a switch on the reel to control the fluorescent and a momentary switch in the handle to control the LEDs

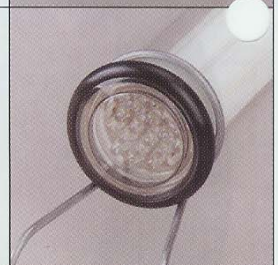

{ 1925-1000 }

- LED electronics are located in line on the cord on the reel model and in the handle on all cord models

- Screw-together in line housing allows servicing of electronics

- End lens is specially treated with a scratch resistant material to allow maximum light out of the end

- 20 long life LEDs provide bright spot light out end
