

STUBBY II®

Bright Side Light AND Magnified End Light!

- Clear lamp cushion and bumper at end of light allow maximum light out at the end, yet protect the lamp from impact.
- Switch in handle is protected from dirt and moisture.
- Outer tube and magnifying lense are tough polycarbonate material.
- Both cord and reel models are available with tool tap.
- Most Stubby II® models have SJTOW all weather, oil resistant cord.
- Patented Rough Service PLS-13 lamp is rated at 10,000 hrs. and produces 900 lumens.
- Most models are UL and C-UL listed.
- For more information on the Stubby II®, please see brochure numbers 9039-0001 and 9039-0012.
